

As part of our ever-expanding effort to bring you the best in barbecue, we have added barbecue videos to the SuperSite. Check back often for new videos, but so far we've featured **Butch Lupinetti** of Butch's Smack Your Lips BBQ Team on making the best rib possible, **Steven Raichlen** of Planet Barbecue fame following up with preparing baby back ribs, the **winner of \$100,000** for the best hamburger, and the hilarious and most-viewed **Brad's Buick BBQ Tour** from Austin to Atlanta. You can find them all [here](#)
