

This drink looks too good to be legal...but it is, proving that epic July 4th fireworks can be served up in a glass as well as in the sky. Wow your Fourth of July barbecue guests with the Riazul Firecracker. This spicy cocktail, infused with Riazul Premium Silver, was concocted by Jorge Guzman, master mixologist and owner of [Ofrenda](#), the new cantina-themed hot spot in Manhattan's West Village. Check out the recipe on the Burn! Blog [here](#)
