

As three-year-olds go, the Disc-It Round Up is pretty developed and well-behaved. It's an event the folks at [Disc-It](#) started in 2009 as their way of giving back to New Mexico's UNM Children's Hospital for all the care that Disc-It front man Nevin Montano's daughter and nephew received in the past. Round Up year one saw 350 attendees; that number ballooned to 2500 people for 2010. This time, an estimated 5000-7000 people showed up at the Hard Rock Casino Albuquerque on July 16th looking to sample a wide range of Disc-It grilled creations.
